About the College

Government College of Nursing, Durg was established in the year 2014 under the State Government's Department of Medical Education, Raipur for imparting quality nursing education to girls of Chhattisgarh state, since then 06 batches of B.Sc. Nursing have successfully passed out from the institute. M.Sc. Nursing course was started in the year 2022 with 3 specializations in Community Health Nursing, Medical Surgical Nursing and Obstetrics and Gynecology Nursing. The institute has a galaxy of doctorate, post graduate and super specialty graduate faculty who are striving hard for imparting quality nursing education, the fruit of which are meritorious students finding place in merit lists of university. This is the first time our institute is organizing international conference which is again an attempt to achieve excellence in nursing education.

About the Conference

This international conference, "Nursing Beyond Borders: Qualitative Research Driving Excellence in Healthcare," brings together nurse educators, researchers, clinicians, and policymakers from across the borders. The conference highlights the vital role of qualitative research in understanding patient experiences, strengthening nursing practice, and improving healthcare outcomes across diverse cultural and clinical settings. Through keynote sessions, research presentations, and scholarly dialogue, the conference aims to promote cross-border collaboration, innovation, and excellence in nursing and healthcare.

Objectives

1. To enhance understanding of qualitative research approaches among postgraduate nursing students, nurse educators, and clinical nurses.
2. To strengthen knowledge of qualitative research designs, methods, and data analysis relevant to nursing and healthcare.
3. To promote the application of qualitative research findings in nursing education, clinical practice, and policy-making.
4. To encourage critical thinking and scholarly inquiry to improve patient-centered and culturally sensitive care.
5. To foster collaboration and exchange of ideas among national and international nursing researchers and practitioners.
